ABOUT THIS HOME

You will love the Bluemont floor plan with so much personality inside and out! This 3 bedroom, 2 bathroom, rambler home is open, bright, and spacious with 1,852 total square feet. The entryway leads to the first bedroom and bathroom, just down the hall you will find the second bedroom. Following the hallway of the home you will find the living room with lots of windows bringing plenty of open light and an inviting area. Next to the living room you have your beautiful kitchen which features our signature island and a walk-in pantry. Continuing inside, you'll find an impressive dining room with plenty of room to entertain. Off the living room you will find a luxurious owner's suite with a spa-like bathroom; complete with a walk-in shower and huge walk-in closet. Through the mudroom, you'll find a 3 car garage. You will want to make this your new home.
