ABOUT THIS HOME

Our Camber floor plan features a modern, open-concept layout with 3 bedrooms, 2.5 bathrooms, 1,865 finished square feet, and 2,757 total square feet. You'll find a bright family room to lounge with family, an open dining room for family dinners, and a spacious kitchen — complete with a walk-in pantry for all your storage needs. Near the kitchen are the conveniently located mudroom and powder bath. Relax on the second floor of this home with its two bedrooms and a roomy owner's suite. Escape the hustle of the world with your owner's suite bathroom that includes a walk-in closet, water closet, and walk-in shower. Near the stairs is the laundry room with its own closet space; down the hall is a convenient bathroom. An optional finished basement lets you create even more living space. This area includes a bedroom, bathroom, mechanical room, extra storage space, and a large recreation room. Transform your recreation room into a movie theater, craft room, workout room, lounge space, or more!
