ABOUT THIS HOME

The Parker displays an open-concept layout with 3 bedrooms, 2.5 bathrooms, 1,636 finished and 2,227 total square feet. You'll find a powder bath and closet space right off the entrance. An open family room, dining room, and kitchen provide you and your family with plenty of socializing, entertaining, relaxing, and enjoying meals together. The kitchen showcases a walk-in pantry and mudroom next to the garage. On the second level, you'll find a large living area with a spacious owner's bathroom that includes a walk-in closet, large vanity, shower, and water closet. Two bedrooms featuring walk-in closets, a bathroom, closet, and a convenient access to the outdoors are also on this floor. You can create a recreation room, bedroom, bathroom, and storage area, or an optional finished basement for additional living space. Customize the recreational room or functional space of your design choice—whether that be for a movie lounge, children's room—the possibilities are endless.
