Modern and comfortable all at once, the Oakley is the home you've always dreamed of with its innovative floor plan with its 3 bedrooms, 2 bathrooms, 1,634 finished square feet, and a two-car garage. The best part about this home is its openness. With the kitchen flowing into the breakfast room, you'll notice how wide and expansive the main floor is. Look up and marvel at the high ceilings in your cozyest spot to spend the night doing what you love the most. Relax in the morning in your stunning master suite and bathroom. On the other side of the home, there are two bedrooms and a bathroom. The placement of these rooms guarantees that your family is always comfortable. The main floor also comes complete with a convenient laundry area, a two-car garage, and the option for a three-car garage. For more living space, you can finish your recreation room, three bedrooms, a bathroom, a storage space. Transform your recreation room into whatever you wish—a home office, children's playroom, movie lounge, or more.
