**ABOUT THIS HOME**

Modern and comfortable all at once, the Oakley is the home you've always dreamed of. This innovative floor plan with its 3 bedrooms, 2 bathrooms, 1,698 finished square feet, and 3 car garage is the perfect blend of style and functionality. The best part about this home is its openness. With the kitchen flowing into the living room, you'll notice how wide and expansive the main floor is. Look up and marvel at the high ceilings and the natural light that fills the space. Relax in the master suite at night, knowing you've found your coziest spot to spend the night doing what you love the most. Relax in the morning, ready for a new day. The placement of these rooms guarantees that your family will always be comfortable. The main floor also comes complete with a convenient laundry area, a spacious kitchen, a dining room, and a large living room. The garage, with its three-car capacity, provides ample parking for your vehicles. For more living space, you can finish your recreation room, three bedrooms, a bathroom, a storage space. Transform your recreation room into a home office, children's playroom, movie lounge, or whatever you wish—a home office, children's playroom, movie lounge, or more.
