## ABOUT THIS HOME

### UPSCALE & GORGEOUS

This new home is under construction with design curated by our design team. The Pinedale floorplan features 4 bedrooms, 3.5 bathrooms, and 3,997 finished square feet. Enjoy the openness of this amazing floor plan with an abundance of natural light. The flex room, close to the entrance of the home, is ideal as an office, gym or a formal living space. Continuing in you have a convenient powder bath located off the entry hallway. Enter the two-story great room with unstoppable light that floods from floor to ceiling windows, and flows into a spacious dining room and state-of-the-art kitchen. This includes a massive island with seating for 4 and is equipped with a gourmet kitchen and plenty of countertop space. Off the dining room, you'll find a practical mudroom that leads to your garage. Upstairs you'll find a loft space with a balcony you can take advantage of the views with. The Owner's Suite is spacious and flooded with
