Welcome to Mapleton Heights! This community features six incredible rambler and two-story floorplans, each with two beautiful elevations available, and options to personalize each home with 2 story great rooms, multiple family rooms, covered porches, and optional fully finished basements. The Rental Suite (ADU) option will also be available in select plans. The large kitchen islands and multiple windows make the homes spacious and bright. The owner's suites are designed with large walk-in closets, large showers, and dual vanities and sinks. There is plenty of room for parties and family gatherings with the option to finish up to 6 bedrooms and 4.5 bathrooms, as well as having covered outdoor spaces.
