## ABOUT THIS HOME

In the Alpine, you wake up every morning with the world at your feet. Modern, luxurious, and homey, this 5 bedroom, 4.5 bathroom floor plan radiates an open, airy light and a lot of heart. With 3,460 total square feet of beautiful space, you have all the room you need to live your best life yet. Go ahead and take a look inside—you're finally home! Transform the flex room off of the entryway to a home office, media room, or playroom. A closet and powder room are also located off the foyer. Past this space, you will find a charming family room, a gorgeous kitchen with an optional island, a dining area, a pantry, and a mudroom. Outside, you have a massive garage to fit your needs and a landscaped yard with sprinklers. Upstairs, leisure awaits in your luxurious master suite. Included in your suite is a spa-like bathroom with a walk-in shower and a large walk-in closet, making it the perfect space to relax and unwind. The second floor also has 2 spacious bedrooms with closets, a bathroom, a well-placed laundry area, and a large, flexible loft to use however you wish. You have an additional bedroom in the basement. You will also find an apartment in the basement that adds a bedroom, bathroom, kitchen, and living room.

\*Approximate Square Footage Based On Exterior Measurements; Actual Living Area May Vary.\*
