## ABOUT THIS HOME

The Sterling offers the best of the best in comfort, luxury, and livability. This contemporary living space comes with 4 bedrooms. Easy to love and call home, the Sterling has your name written all over it. Step inside and experience a two-story entryway. The foyer is an abundant flex room perfect for personalizing. The main living space features a large two-story family room with large windows. The gorgeous kitchen comes with a spacious island, a huge pantry, and a spacious mudroom located off the garage is a large and functional mudroom. Last but not least, the spectacular owner's suite comes with a massive walk-in closet. On the second floor, you'll find 3 full bedrooms with walk-in closets, a bathroom, a convenient laundry room, and a loft that overlooks the first floor. Here, you and your family always have a special place to relax, spend time together, and at least, you have the option to finish the basement with 2 full bedrooms, a bathroom, storage areas, and a large recreation room into a comfortable movie lounge, a children's playroom, a home office, or more.
