ABOUT THIS HOME

Expertly built and designed with gorgeous features, the Skyline has 3 bedrooms and 2.5 bathrooms. It's the kind of home you can't wait to move into. You'll enjoy the best of comfort, luxury, and livability. The moment you open the door for the first time, you'll see why this is one of the best floor plans. The entryway first leads to a flex room that you can use as an office, playroom, or more. The foyer then takes you to an open family room, and a kitchen nook. Tucked away are a pantry, mudroom, and powder room. Are you ready for endless luxury and leisure? The master suite is perfect for relaxation. Complete with a spa-like bathroom, a large walk-in closet, dual vanities, a walk-in shower, and so much more. The second floor also provides 2 full bedrooms with closets, a bathroom, a convenient laundry area, and a storage room. However you wish. If you want to add even more space to your home, you have the option to finish the basement with a large recreation room. Transform the recreation room into a movie lounge, children's playroom, and more.
